## 56ers

Sunday Mornings 9-10 AM

We are going through the book of Romans.

Wednesday Nights 6:30-8 PM

In November, we will be discussing who we are in Christ. Focus on the Family has a great article for parents regarding identity:

<https://www.focusonthefamily.com/parenting/spiritual-growth-for-kids/who-am-i-your-childs-identity>

**Lock In Follow-Up:** Thank you to parents for the support, food and help. Amidst all the crazy games and laughter, we had a meaningful session time praising God and learning about what Jesus meant when He said "I am the way, the truth and the life."

We would love to hear from 56ers parents -- How can we support your child and family during this season?

What do you hope your child is getting from attending 56ers? Please email us and let us know! Hearing from parents helps us as we pray and plan for our 56ers group.

# Remix

Sunday Mornings 9-10 AM

Sunday morning Bible study continues in the book of Genesis. What a cool story of God's continued faithfulness to his chosen people even in the midst of their crazy choices, imperfect family dynamics, and sometimes scary circumstances!

Wednesday Nights 6:30-8 PM

- Nov. 1 - Game night
- Nov. 8 - Brittany shares a lesson
- Nov. 15 - Focused on thankfulness
- Nov. 22 - No Remix
- Nov. 29 - Begin "Jesus Said What?!" series

(This new series focuses on the teachings of Jesus that are counter cultural, often overlooked, dismissed, or not taken seriously.)

**Fall Retreat (Nov 10-12) - "Inside Out & Upside Down"**

Our speaker, James Duff, will help us to think critically about our lives as followers of Jesus. We will be focusing on how we can look different than the world in areas like family, service, mission, and rhythms of life.
