## QUEST

### Operation Christmas Child

We packed more than 120 Operation Christmas Child shoeboxes in November! In addition to packing shoeboxes, we also heard how Pastor Daniel has worked with Samaritan's Purse in the past, from shipping boxes in Germany to distributing boxes in Ecuador. It was interesting to hear about the process after the boxes leave our church!

Join us in celebrating the advent season with our weekly family devotional! We'll have hard copies available for the next 4 Sundays, as well as an emailed copy that you'll receive on Sunday afternoon.

## WHAT ARE KIDS WATCHING?

Stranger Things (Netflix)

Rating: TV-14

This dark show with serious Stephen King vibes is a love letter to all things 80s. The show centers on a plucky group of kids (think the Goonies) in 1983 that go searching for their missing friend (presumed dead) when they encounter a strange girl with telekinetic powers at the center of it all. Featuring insidious government agencies, an alternate dimension, monsters and more, this sleeper hit has teens, adults and the media buzzing online.

## Service Opportunity

Bake some cookies for Monday and/or Wednesday night! Email [alana@manheimbic.org](mailto:alana@manheimbic.org) with the type and amount you are able to donate. Drop off at the Warehouse by December 18 or 20.

Please no tree nuts.

Thank you!
